Secondhand Treasure Map

of
Staten Island

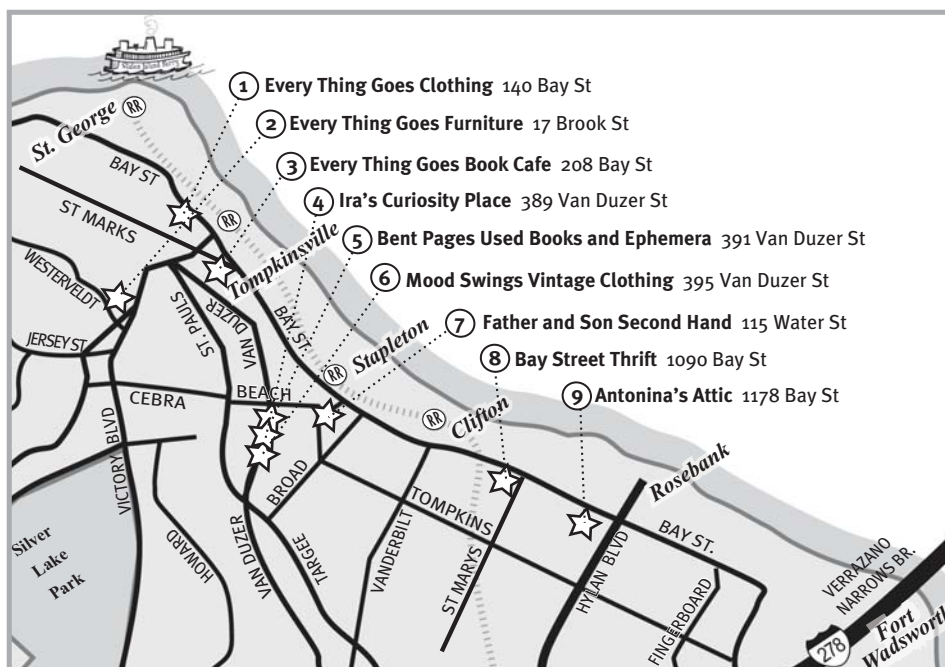

Welcome to our
first effort to map
the secondhand stores
of Staten Island!

Staten Island has a nice collection of secondhand stores, thrift shops, used book and used furniture stores, antique dealers, and high-end consignment boutiques. With this Secondhand Treasure Map, we are striving to make it easier to know about and to find these important resources.

This map project was initiated by **Every Thing Goes** and **Bay Street Thrift** as part of the *Re-Art Fashion Show* collaboration with **Day de Dada** performance art group for the Art By the Ferry festival of 2010. Every Thing Goes created the layout and plans to continue it. Mary Campbell created the Re-Cycle! logo.

We have heard rumors of other stores out there that belong on this map. If you know of one, please help us! Send their names and/or contact information and a description of their offerings to Peggy Wonder at Every Thing Goes Clothing, 140 Bay Street, etgclothing@gmail.com, or call 718-273-7139. If you leave a message, please give your phone number. Thank you!

If you'd like to help print future maps or deliver them to thrift stores and other venues, please let us know!

← This is a
magnified view of
the North Shore area.
